**Rehearsals**

Due to some unforeseen circumstances we lost a few rehearsals. We are looking to make up for the missed time which will result in adding rehearsals to the already existing schedule. Please make every effort to attend the additional rehearsals. Also as a reminder there is an attendance policy for Musical Theater. Leading roles who miss more than 3 rehearsals are at risk for losing their part. Adherence to the attendance policy is mandatory for participation in certain extras that these students do, such as school day assemblies and/or field trips.

**Mark Your Calendars!!!**

On April 1<sup>st</sup> Mrs. Kraus from McAnulty School will be bringing to students to see our show. On April 8<sup>th</sup> we will be traveling to the Grand Theatre in Elizabeth to perform 3 shows. This will be a fundraiser for us and also our cast party. Students will need to provide a bag lunch for this day, but we will provide a pizza dinner. Students will be transported to the theatre by school bus but will be responsible for finding their own transportation home that evening. A permission slip and more details will be distributed closer to this event. Again, adherence to the attendance and discipline policies of Musical Theater are required to participate in these events.

**Hershey Trip**

Students may begin submitting rooming assignments for Hershey to Mrs. Hawk or Ms. Guenther at any time. Please note that no parent may stay in a room with anyone other than their own child unless a written consent has been received by the other children's parents. Pricing is based on quad occupancy. If rooming with less, the price does go up. Please consult the paperwork you have already been given. A final invoice will be sent home before the last payment is due in April.

## Costumes

The costumes are almost complete. Every student must submit a \$20 costume fee for purchase and maintenance of their costume. Every student will be provided certain parts of their costume and certain parts they will be expected to provide. Parts that are supplied by us are the school's property and will not be permitted to leave the school. Please see the list below as to what they will need to provide.

Candy Man Kids - Jeans (not ripped or torn)
