Dear Parent/Guardian,

January 2009

As you may know, the Baldwin-Whitehall Friends of the Theater Arts, a non-profit organization, has been created to support the theater arts at Baldwin High School. The primary focus of this group is to support the theater productions by raising necessary funds, thereby maintaining a commitment to high quality theatrical productions while alleviating some of the students' participation in fundraising.

Your child makes a huge time commitment to realize a high quality theatrical production and at the same time, maintain his or her grades. We realize the hours needed to go to school, do homework, build sets and rehearse after school and on weekends. However, there are countless lifelong benefits to the students participating in a musical or dramatic performance and observing the many details that go into a successful production.

In order for a community-based fundraising effort to be successful, it is important that we have the support of as many parents/guardians of all students involved in the production and performance of the musical as possible. Consequently, would you please consider becoming a member of the Baldwin-Whitehall Friends of the Theater Arts? Perhaps you know friends or have relatives who would be interested in supporting the Theater Arts Program at Baldwin High School. Any help that you can give will be appreciated. *Contributions are tax deductible.*

Please complete the tear-off portion of this letter and return it with your donation. Donations may be deposited in the Drama Mailbox located in the LG12 (Choral) Room or returned by mail to: Baldwin-Whitehall Friends of the Theater Arts, P. O. Box 10985, Pittsburgh, PA 15236.
