You only live *once*.

Let us help when you need to think *twice*.

Make decisions about your health with *confidence*.

With Advance Medical, the world's leading doctors consult on your condition to support you through difficult medical issues so you can make the best possible choices for your health.

A second opinion is *smart*.

Confirming a diagnosis and treatment may help you:

- Feel confident in your diagnosis
- Prevent a needless surgery
- Avoid missed time at work
- Save out-of-pocket costs on unnecessary care
- Verify prescription appropriateness
- Experience better health
- Find peace of mind

This is healthcare made *easy*.

Simply call, logon or email to connect. We collect your medical records for you! We pair you with a physician who answers your questions and gets you the best medical information and expert recommendations so you can move forward with confidence.

Get connected. Be informed. Become *confident*.
