Student Tech Tips:

- Remember when your Chromebook is in your backpack, do not throw your bag in your locker or on the floor. To prevent a cracked screen, be sure there is nothing between your screen and keyboard when you close it.
- Eating and drinking while using your Chromebook is not a good idea. Even water bottles in your backpack may leak onto your device. If liquid does get on your Chromebook, do not power it on. Keep the lid closed and bring it to the Tech Office as soon as possible.
- The Tech Office does not lend out Chromebook chargers. If you lose yours, they are \$29.95 to purchase from the Tech Office. Insurance **does not** cover lost chargers (or lost Chromebooks). Please do not purchase an off-brand charger. Those chargers will not be accepted when you turn in your device.
- If a student lost their device. They can stop by the Tech Office for a replacement device. A damage report will be written for the cost of the lost device which can range from \$290.00 - \$353.47.
- If a student needs to borrow a device or charger for the day. There is a chromebook cart located in the 6th grade office. Where a device or charger can be signed out and collected at the end of the day, or when the student is done using it. The number of devices and chargers are limited. If a student is repeatedly borrowing a device they will be asked to see the Tech Office.
- If you are moving from the District, please leave your Chromebook AND charger with a staff member. Do not take it with you. It belongs to BWS. Remember, you are borrowing the device while you are here.
- Remember to keep your password private. Anything done on your Chromebook is your responsibility.
