

BALDWIN MIDDLE SCHOOL

WEEKLY UPDATE February 19, 2024

UPCOMING EVENTS

President's Day
No School - Monday, February 19th

Save the Date - Monday, February 26th
Middle School Curriculum Night
6:30—8:30 PM BHS Auditorium / BHS 3rd Floor

During the 2023-24 Middle School Curriculum Night, Middle School Teachers, grades 6th through 8th grade, will present & showcase information from their Content Area Curriculums.

During the presentations, teachers will highlight key aspects of the curriculum, assessment, and student progress. The ELA, Math, Social Studies, and Science departments will present during 2 sessions and then will be available to answer questions during the alternating sessions. World Language, Encore, and Physical Education will have tables set up in the hallway for parents/guardians to visit and see evidence of student learning. [Click to Download the 23-24 Middle School Curriculum Night Program/Schedule \(pdf\)](#)

Middle School Canned Food Drive: We're excited to announce that the Student Council is hosting a Canned Food Drive to support our local community! This is a wonderful opportunity for us to come together and make a meaningful difference in the lives of those in need.

Nonperishable items will be collected in 7th & 8th-grade homerooms and in 6th-grade 1st periods. The homerooms with the most generous donations will be recognized! Awards will be given to the 7th and 8th-grade homerooms along with the 6th-grade 1st-period class that collects the most canned food items.

Dates: February 12th - 23rd

Location: Middle School (6th, 7th, & 8th grade)

Accepted Items: All non-perishable food items are welcome!

(This includes pasta, rice, canned fruit, canned vegetables & beans, noodles, and more.)

Let's show our compassion and generosity by contributing whatever we can. Every donation makes a big difference in someone's life, no matter how small. All collected non-perishable food items will be donated to our local SHIM location in Bethel Park, where they will directly benefit individuals and families in our community who are in need of assistance. Thank you in advance for your support and generosity. Together, we can make a positive impact and spread kindness throughout our community.

HIGHLIGHTS

BotsIQ: On Tuesday February 15th, Mrs. Donoghue & Mr. Wagner accompanied a group of 7th graders to BotsIQ. BotsIQ is a workforce development program by the Pittsburgh Chapter National Tooling & Machining Foundation. It nurtures youth's interest in manufacturing careers, offering hands-on learning experiences to foster STEM education, provide technical resources to schools, and connect students with industry mentors. BotsIQ aims to bridge the skills gap and build a competent future manufacturing workforce. Over the course of the second semester, groups of middle school students will continue to visit BotsIQ to explore workforce development opportunities.

Love Languages:

This month, the BMS World Language Department continued its annual tradition of posting kind and romantic quotes in the hallways. Students could take quotes in French, German, Latin, and Spanish to give to their classmates and friends. What a fun way to spread the love this Valentine's Day!

Serve. Smash. Score - 6th Grade Badminton Tournament

The excitement for Badminton can not be explained, but HMS students over the years never disappoint. Students learn and development their badminton skills over a 3 week unit. Teams are decided and then the FUN begins. Each class holds it own tournament and a representative from each class plays for the ultimate CHAMPIONSHIP. This year's tournament was epic. Games decided by one point, diving plays and unknown under-dogs. I want to congratulate this year's tournament players, as well as our 1st and 2nd place teams. Max Miller and Lucas Sibbet took the gold, while Dominic Germinaro took the silver. Awesome job 6th grade!

24-25 Scheduling Information

High School Scheduling for 8th Grade Students

Attention 8th Grade Families,

On Tuesday, February 6th, we kicked off our 2024-25 scheduling process. 8th grade students attended a grade-level meeting with high school principal Mr. Tomaszewski and attended our Electives Fair. Students were able to visit teachers of elective courses and talk specifically about what their classes entail. As we continue with scheduling, teachers will be making course recommendations early next week. Then, on February 27th and 28th, students will be completing course requests during social studies with the help of their school counselors. [Click to Access the 2024-2025 BHS Course Catalog.](#)

Parents, please review our course catalog with your child(ren) to help them decide which courses they would like to request. Also, to the best of your ability, please make sure your child is in school on February 27th and 28th to complete course requests for next year. If you have any questions, reach out to the BMS school counseling department at 412-885-7500.

Thank you! Rachel Johnson and Jessica Thomas, Middle School Counselors

Career Exploration for 8th Graders We are currently in the organizing phase of planning a career day for our 8th grade students during the fourth nine weeks. We are looking for parents and community members to share their expertise and experience around careers. Our day will focus on informative, yet hands-on experiences, to engage and educate our students about all of the options for their future. We would like speakers to include insight on careers, offering a variety of post-secondary options from on the job apprentices, associate programs, 4 year colleges and post-graduate degrees. Please click the link below to complete the form to let us know

of your interest to present multiple sessions to a small group for 20-25 minutes.

Meet the BMS Counselors

School Counseling Department Update: Our counseling department is a dedicated group of educators who collectively work as a cohesive team that has seamlessly established a rotation schedule between the two buildings to ensure that the students, families, and concerns are being addressed and met.

Each counselor can be reached via phone; however, due to splitting our time between buildings, we request that parents and guardians communicate through email. Email guarantees that each counselor is aware of any concerns/issues and can address the situation within the appropriate setting in a timely manner.

NOTES FROM THE NURSES

Reminder for Parents of 6th Graders:

Please remember that the PA-mandated examination for 6th grade students is a **physical** that includes a back assessment (**scoliosis screening**). If you have not submitted these for your child, please do so as soon as possible. If you prefer to have the school physician perform the exam, you must complete the written permission form previously given. These examinations will take place during the school day in the health office and are free of charge. Additional copies of the parental permission form will be sent home soon or you can print a copy from the district website or the nurses' canvas page.

Updated Information about the 6th-grade physicals and scoliosis exams: The school physician will conduct these exams in March. Please send in your child's PE from their PCP or complete the form permitting the school MD to perform the exam ASAP. 6th graders will bring a second copy of permission forms home on Monday, 2-12-23. Please watch for these. Dates for the exams at school will be communicated soon.

An Additional Note: The 6th grade physical appointment provides an opportunity for your child to obtain the vaccinations required to enter 7th grade (Tdap and meningococcal). Your child's PCP will attach proof of these immunizations to the physical exam form, thereby ensuring their smooth entry and ongoing attendance on the first day of 7th grade.

Reminder for Parents of 7th Graders:

Please remember that the PA-mandated examinations for 7th grade students are a back assessment (**scoliosis screening**) and a recent **dental exam**. If you have not submitted both of these for your child, please do so as soon as possible. If you prefer to have the school physician and/or dentist perform the exam, you must complete the written permission form previously given. These examinations will take place during the school day in the health offices and are free of charge. Additional copies of the parental permission form will be sent home soon or you can print a copy from the district website, www.bwschool.net or the Health Services canvas page, <https://bwschools.instructure.com/courses/7692>.

Additional information for 7th graders: The school physician will conduct scoliosis screenings in March and the school dentist will perform dental exams in March or April. Please send both of these examinations from your child's HCP and dentist in ASAP. Also, watch for a second permission form to come home for school exams.

An Additional Note: It is long past the deadline (8/28/23) to submit written proof of the 7th grade mandated vaccinations (Tdap and meningococcal) from your child's health care provider. If you have not yet submitted this documentation to the school nurse, please do so immediately, as PA law requires these be maintained in each student's health records in order to attend school.

Thank you for your participation and cooperation as we work toward compliance with these PA school requirements.

6th Grade Information

6th Grade Office - Direct

Phone Number: 412-885-7530

When calling, please let the secretary
know your child's Grade and Name

Arrival: We open our doors at 8:55am for children. All car riders need to enter in the main entrance (Entrance # 12) and buses enter through the gym lobby entrance.

Breakfast: Breakfast is free this year and kids are encouraged to take a breakfast from the Grab and Go cart before they head to class. Please make remind your child to make sure they know their lunch numbers.

Water bottles: Non-glass water bottles are permitted for students to stay hydrated throughout the day.

Tardies: Students are considered tardy at 9:15am. Please bring your child to the front door (entrance #12) and our office staff will let them in, provide a pass, and send them to class.

Early Dismissals: When notifying the school of an early dismissal for your child, please complete one of the following: Provide a note and call the 6th Grade office at 412-885-7530 email hecoffice@bwschools.net. TECH CORNER

6th Grade Tech Corner

For 6th grade students, the Tech Office is located at the far end of the hall beyond the cafeteria, Room 133. Mr. Maloney, the HMS/MES computer tech, is there to help students with their technology issues. If your child is having a problem with their Chromebook, place a Student Help Desk ticket by clicking "Help" on the left side of Canvas, or stop by the Tech Office as soon as possible. Please remember, do **NOT** attempt to fix your child's Chromebook. If you have any questions, please contact Mr. Maloney - pmaloney@bwschools.net

7th & 8th Grade Tech Corner

For 7th & 8th grade students, the Tech Office is located on the 3rd floor of the school building. Mr. Bonidie and Ms. Firek, BHS/BMS computer techs, are there to help students with their technology issues. If your child is having a problem with their Chromebook, place a Student Help Desk ticket by clicking "Help" on the left side of Canvas, or stop by the Tech Office on the 3rd floor as soon as possible. Please remember, do **NOT** attempt to fix your child's Chromebook. If you have any questions, please contact Mr. Bonidie (jbonidie@bwschools.net) or Ms. Firek (rfirek@bwschools.net). [Please click to access the District Technology webpage.](#)

Student Tech Tips:

- Remember when your Chromebook is in your backpack, do not throw your bag in your locker or on the floor. To prevent a cracked screen, be sure there is nothing between your screen and keyboard when you close it.
- Eating and drinking while using your Chromebook is not a good idea. Even water bottles in your backpack may leak onto your device. If liquid does get on your Chromebook, do not power it on. Keep the lid closed and bring it to the Tech Office as soon as possible.
- The Tech Office does not lend out Chromebook chargers. If you lose yours, they are \$29.95 to purchase from the Tech Office. Insurance **does not** cover lost chargers (or lost Chromebooks). Please do not purchase an off-brand charger. Those chargers will not be accepted when you turn in your device.
- If a student lost their device. They can stop by the Tech Office for a replacement device. A damage report will be written for the cost of the lost device which can range from \$290.00 - \$353.47.
- If a student needs to borrow a device or charger for the day. There is a chromebook cart located in the 6th grade office. Where a device or charger can be signed out and collected at the end of the day, or when the student is done using it. The number of devices and chargers are limited. If a student is repeatedly borrowing a device they will be asked to see the Tech Office.
- If you are moving from the District, please leave your Chromebook AND charger with a staff member. Do not take it with you. It belongs to BWSD. Remember, you are borrowing the device while you are here.
