At this date, two lawyers, three doctors, a television news reporter, and a radio host have all agreed to come and speak to our students and answer questions about their experiences. This would give the young girls at our school a chance to research more deeply into careers which they may be interested in pursuing. Interested students should look for flyers in the high school hallways that include QR codes to assist them in signing up for the presentations.

Each counselor can be reached via phone; however, due to splitting our time between buildings, we request that parents and guardians communicate through email. ## NOTES FROM THE NURSES

### Reminder for Parents of 6th Graders:

Please remember that the PA-mandated examination for 6th grade students is a **physical** that includes a back assessment (**scoliosis screening**). If you have not submitted these for your child, please do so as soon as possible. If you prefer to have the school physician perform the exam, you must complete the written permission form previously given. These examinations will take place during the school day in the health office and are free of charge. Additional copies of the parental permission form will be sent home soon or you can print a copy from the district website or the nurses' canvas page.

**Updated Information about the 6th-grade physicals and scoliosis exams:** The school physician will conduct these exams in March. Please send in your child's PE from their PCP or complete the form permitting the school MD to perform the exam ASAP. 6th graders will bring a second copy of permission forms home on Monday, 2-12-23. Please watch for these. Dates for the exams at school will be communicated soon.

**An Additional Note:** The 6th grade physical appointment provides an opportunity for your child to obtain the vaccinations required to enter 7th grade (Tdap and meningococcal). Your child's PCP will attach proof of these immunizations to the physical exam form, thereby ensuring their smooth entry and ongoing attendance on the first day of 7th grade.

### Reminder for Parents of 7th Graders:

Please remember that the PA-mandated examinations for 7th grade students are a back assessment (**scoliosis screening**) and a recent **dental exam**. If you have not submitted both of these for your child, please do so as soon as possible. If you prefer to have the school physician and/or dentist perform the exam, you must complete the written permission form previously given. These examinations will take place during the school day in the health offices and are free of charge. Additional copies of the parental permission form were sent home or you can print a copy from the district website, [www.bwschool.net](http://www.bwschool.net) or the Health Services canvas page, <https://bwschools.instructure.com/courses/7692>.

**Additional information for 7th graders:** The school physician will conduct scoliosis screenings in March and the school dentist will perform dental exams in March or April. Please send both of these examinations from your child's HCP and dentist in ASAP. Also, watch for a second permission form to come home for school exams.

**An Additional Note:** It is long past the deadline (8/28/23) to submit written proof of the 7th grade mandated vaccinations (Tdap and meningococcal) from your child's health care provider. If you have not yet submitted this documentation to the school nurse, please do so immediately, as PA law requires these be maintained in each student's health records in order to attend school.

Thank you for your participation and cooperation as we work toward compliance with these PA school requirements.

### Student Tech Tips:

- Remember when your Chromebook is in your backpack, do not throw your bag in your locker or on the floor. To prevent a cracked screen, be sure there is nothing between your screen and keyboard when you close it.
- Eating and drinking while using your Chromebook is not a good idea. Even water bottles in your backpack may leak onto your device. If liquid does get on your Chromebook, do not power it on. Keep the lid closed and bring it to the Tech Office as soon as possible.
- The Tech Office does not lend out Chromebook chargers. If you lose yours, they are \$29.95 to purchase from the Tech Office. Insurance **does not** cover lost chargers (or lost Chromebooks). Please do not purchase an off-brand charger. Those chargers will not be accepted when you turn in your device.
- If a student lost their device. They can stop by the Tech Office for a replacement device. A damage report will be written for the cost of the lost device which can range from \$290.00 - \$353.47.
- If a student needs to borrow a device or charger for the day. There is a chromebook cart located in the 6th grade office. Where a device or charger can be signed out and collected at the end of the day, or when the student is done using it. The number of devices and chargers are limited. If a student is repeatedly borrowing a device they will be asked to see the Tech Office.
- If you are moving from the District, please leave your Chromebook AND charger with a staff member. Do not take it with you. It belongs to BWSD. Remember, you are borrowing the device while you are here.
