HIGHLIGHTS

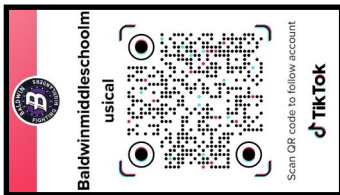

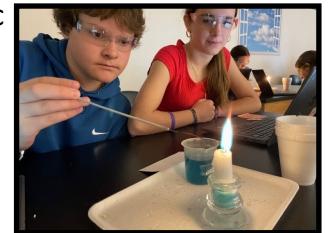

Pink Out Success: The Pink Out Event was an outstanding success, a vibrant testament to the spirit of unity and support within our school community. Thanks to our incredible parent and staff volunteers. There was an awesome turnout of students who showed a great display of solidarity in the fight against breast cancer! Thank you for making the annual Pink Out event a success.

Here's Some 8th Grade Tea...Labs are Fire!

Science is a subject best learned by 'doing', and eighth graders just participated in their first two labs of the school year! Both lab activities were used as a way to manipulate and practice experimental design. Students identified scientific

variables, formed hypotheses, organized data, and drew conclusions. Do you want to know if water temperature affects the rate at which tea mixes? The 8th graders know! Do you want to know if different chemical solutions change the color of a flame? The 8th graders know! More exciting labs are planned, so stay tuned into these weekly updates to find out what else the 8th graders know!

Meet the BMS Counselors

School Counseling Department Update

Dear Middle School Parents and Guardians, The Baldwin-Whitehall Middle School Counseling Department wants to welcome our 6th, 7th, and 8th grade students back to school! We look forward to assisting our students and families during the upcoming school year.

As our school community is aware, the 6th grade is located at Harrison Educational Center, and the 7th and 8th grades are at Baldwin High School. Our counseling department is a dedicated group of educators who collectively work as a cohesive team that has seamlessly established a rotation schedule between the two buildings to ensure that the students, families, and facility needs and concerns are being addressed and met.

Each counselor can be reached via phone; however, due to splitting our time between buildings, we request that parents and guardians communicate through email. Email guarantees that each counselor is aware of any concerns or issues and can address the situation within the appropriate setting in a timely and efficient manner.

Ms. Rachel Johnson, School Counselor A - L - rjohnson@bwschools.net

Ms. Jessica Thomas, School Counselor M - Z - jthomas@bwschools.net

Ms. Jean Williams, School Social Worker A - Z - jwilliams@bwschools.net

BMS Nurse Update

Please remember a Pennsylvania school requirement, to enter 7th grade, is the submission of updated Tdap and Meningococcal vaccinations. We still have not received these for several students. If you are among those still needing to complete this requirement for school attendance, please see that you take care of this as soon as possible. Your prompt attention to this is greatly appreciated.

Volunteer nurses from JRMC-AHN will be helping the BWSD nurses with annual vision screenings for our 7th and 8th graders on September 26 and 27th. These will be done during the physical education classes. The high school students will also be screened on these dates.

Current COVID Guidelines for Students were shared with families recently. Please follow this guidance as you note symptoms and positive testing for Covid in your families. Five days of isolation, from the start of symptoms (day zero), followed by 5 days of mask wearing (days 6-10) when returning to school and public life, should be the plan if positive test results are noted. The student's PCP should always be the first point of contact, but also feel free to call or email the school nurses with your questions or concerns.

PARENT RESOURCES

Internet and social media are here to stay. Good can come from this kind

of connectedness online, but the flipside is filled with false information, risky behavior, cyberbullying, sexualized and concerning content. Shape the Sky is dedicated to spreading awareness to help parents and professionals create safe and responsible children online. [Click to Access Shape the Sky Website](#)

The Common Sense Media website provides lessons, suggestions and

- Remember when your Chromebook is in your backpack, do not throw your bag in your locker or on the floor. To prevent a cracked screen, be sure there is nothing between your screen and keyboard when you close it.
- Eating and drinking while using your Chromebook is not a good idea. Even water bottles in your backpack may leak onto your device. If liquid does get on your Chromebook, do not power it on. Keep the lid closed and bring it to the Tech Office as soon as possible.

Please do not purchase an off-brand charger. Those chargers will not be accepted when you turn in your device.
- If a student lost their device. They can stop by the Tech Office for a replacement device. A damage report will be written for the cost of the lost device which can range from \$290.00 - \$353.47.
- If a student needs to borrow a device or charger for the day. There is a chromebook cart located in the 6th grade office. Where a device or charger can be signed out and collected at the end of the day, or when the student is done using it. The number of devices and chargers are limited. If a student is repeatedly borrowing a device they will be asked to see the Tech Office.
- If you are moving from the District, please leave your Chromebook AND charger with a staff member. Do not take it with you. It belongs to BWSD. Remember, you are borrowing the device while you are here.
- Remember to keep your password private. Anything done on your chromebook is your responsibility.
