

BALDWIN-WHITEHALL SCHOOL DISTRICT

McANNULTY ELEMENTARY SCHOOL

TITLE I FAMILY ENGAGEMENT POLICY/PLAN 2017-2018

McAnnulty Elementary School believes that all children can learn and be successful. The school recognizes that a child's education is a responsibility shared by the school and family. At McAnnulty Elementary School we provide a safe, welcoming environment for students and families.

Educators will provide families with Title I Reading Program information in a timely manner. The information will be sent home once a student qualifies for the program. Families may also obtain this material and ask questions at family literacy training events during the school year. Families will have opportunities to receive an explanation of the Pa. Core Standards, academic assessments, curriculum overviews, and ways in which individual student progress is measured. Progress will be clearly shared through ongoing parent-teacher communications such as quarterly progress reports, emails, and monthly newsletters. Annual parent-teacher conferences provide time to discuss individual student progress.

We invite parents to an annual Title I meeting to explain the Title I program and the assessment data. Ongoing open communication between Title I families and teachers will occur. All assessment data will be available to parents.

The school may provide transportation as necessary if families require transportation assistance in order to attend a Title I event. McAnnulty Elementary School will keep families informed of their rights and responsibilities as educational partners. At McAnnulty, educators and parents will work together through communication and determination to meet children's educational goals.
