Session 2

## Arcade Craze

In this session, students will be invited to use their imagination to create an arcade game from cardboard and other recyclable supplies. This idea is based on Caine's Arcade, which will be used to introduce the concept to the students. Students will work by themselves or with a partner to plan a game concept. After planning and presenting their idea, students will begin making their projects. This process will include trial and error as the students work together to make a game that is functional and fun to play. The final day, students will have the opportunity to try each other's games.

Cost: \$50.00+  
\$35.00 materials  
fee

Grades: 6-7

Session 1

## Introduction to Quilting

Have fun sewing while making your very own cozy quilt! Students will be using sewing machines to make a quilt measuring 64" x 72" from colorful cotton fabrics. Pre-cut kits will be provided in a variety of colors, including fabric for top and backing, cotton batting, and perl cotton for tying the quilt layers. Students will need to bring the following basic sewing supplies: pins, scissors, seam ripper.

## Art, Music, & Theater

### **Introduction to Acting**

Students will engage in acting techniques through games and exercises that challenge them to use their bodies, voices, and imaginations to express character and explore storytelling. Students will develop and implement the following skills: improvisation, memorization, believable action, stage direction, and characterization. The four day summer camp will culminate with a student performance to showcase their skills. This camp will focus on developing actors' confidence through acting techniques.

Cost: \$50.00

Grades: 6-7

Session 2

## Child Care

### **Babysitting**

Students in this session will gain information related to being a successful babysitter. Middle school students will discuss how to be a leader along with the business of babysitting. Students will also learn about the importance of safety including emergency situations. Additionally, participants will complete hands-on activities that include caring for kids and safe kid play. Students' parents, guardians and/or families will receive a daily newsletter about babysitting topics that were discussed and addressed for that particular day.

Cost: \$50.00 +  
\$5.00 materials fee

Grades: 6-7

Session 3

## Culinary Arts

Cost: \$50.00 +  
\$15.00 materials fee

Grades: 3-5, & 6-7

Session 3

### Healthy Cooking

Who says that eating healthy can't be fun? In this session, students will learn how to prepare healthy recipes so that they can cook their own healthy snacks and meals. Possible meals include pasta salad, veggie sushi, hummus, and baba ghanoush.

## Outdoor Adventures

Cost: \$50.00

Grades: 6-7

Session 1\* Please note the camp will held over the course of three days not four since on the third day of camp students will be on the field trip for six hours.

### Fly Fishing

In this highly interactive camp, students will be provided with an introduction to fly tying and fly fishing. Students will learn how to identify Pennsylvania fish, tie various flies, and learn fly casting techniques. On the last day of the camp, students will visit the Alpine Club located in Bridgeville, PA. Here students will have additional instruction about fly casting and tying and have the opportunity to catch a fish in the pond. They will also participate in a bug study during their fishing trip.
