

**BLAST OFF INTO
KINDERGARTEN**

4, 3, 2, 1...

All of our Little Earthlings are invited to attend an IN PERSON Kindergarten Orientation Night on

Monday, August 30, 2021 from 5:30-7:30 p.m.

We are asking that only ONE ADULT accompany each little earthling to this event. Masks must be worn by everyone in attendance.

Kindergarten Orientation provides the opportunity for a face to face meeting between teacher and student prior to the start of school. Families will have time with the teacher to learn about the curriculum and what to expect during the first year of Kindergarten. Students will be able to see their classroom, locker, desk, and of course... the BUS RIDE!

When you arrive for Orientation, please report directly to your child's assigned teacher's classroom. Once the students have a chance to meet their teacher and look around the classroom, we will escort the students to different stations set up around the building. This will allow time for some quality teacher/family time while we entertain the little ones!

Prior to Orientation, I will be Skyblasting home a link to my Back to School video outlining pertinent information that will be helpful to starting off the school year! This is a very exciting time of year and I am looking forward to working with all of you in my new role as principal of McAnnulty!!!!
