Congratulations! You are eligible to participate in the 403(b) retirement plan provided by the **Baldwin-Whitehall School District**. Contributing to a 403(b) plan will give you peace of mind through financial security during your retirement. A 403(b) plan allows you to contribute a portion of your compensation as a pre-tax or post-tax (Roth) contribution (if allowed by your Employer) in order to save for retirement. Participation in the 403(b) plan is completely voluntary. If you are already contributing to the 403(b) plan, now is a perfect time to increase your contributions.

What is a 403(b) Plan?

A 403(b) plan, also known as a Tax-Sheltered Annuity (TSA), is a tax-deferred retirement plan provided for employees of certain tax-exempt, governmental organizations or public education institutions.

What are the benefits of contributing to a 403(b) Plan?

LOWER TAXES!

The 403(b) contributions you make can be on a pre-tax basis. This means that the money used to invest in the 403(b) plan is not taxed until the funds are withdrawn. For example, if your federal marginal income tax rate is 25%, and you contribute \$100 a month to a 403(b) plan, you have reduced your federal income taxes by nearly \$25. In effect, your \$100 contribution costs you only \$75. The tax savings grow with the size of your 403(b) contribution.

TAX-DEFERRED GROWTH

In your 403(b) plan, interest and earnings grow tax-deferred. This means that your interest will grow tax-free until the time of your withdrawal. The compounding interest on your 403(b) plan allows your account to grow more quickly than money saved in a taxable account where interest and earnings are taxed each year.

TAKING THE INITIATIVE

Contributing to a 403(b) retirement plan helps you take control of your future retirement needs. Other sources of retirement income, including state pension plans and Social Security, often do not adequately replace a person's salary upon retirement. A 403(b) plan can be a great way to supplement your income at retirement.

POSSIBLE TAX CREDITS

Pre-tax contributions may put you in a lower tax bracket reducing your overall tax rate.

ROTH

You may also choose to invest part of your income on an after-tax (Roth) basis. Roth contributions are taxed at the time of the investment though contributions *and* earnings grow tax-free

until withdrawn. Qualified distributions will allow you to withdraw your money tax-free.

HIGHER LIMITS

Annual contribution limits are much higher than those of an IRA.

How much can you contribute to a 403(b) Plan?

You may elect to save up to 100% of your income.

For the current IRS contribution limits, including the age 50+ catch-up, please reference www.nbsbenefits.com/limits
