

Whitehall Elementary's 2nd Grade Back to School Orientation

An in-person orientation will be held on **Monday, August 30th** for our incoming 2nd grade students.

This orientation will allow students to meet their teachers and see their classrooms prior to the first day of school. It will also give teachers the opportunity to share important class information with parents/guardians. As a reminder, the first day of school is September 1st, 2021.

**We will be limiting this event to one adult per student.
Masks will be required.**

In-person orientation times will vary depending on your child's teacher. Your child's teacher will also be hosting a virtual session. **No in person guests will have access to classrooms during the virtual sessions.** For those who may not be able to attend, the virtual session will be recorded and shared by your child's teacher.

A back to school video will be shared prior to or the day of orientation which will include important information about Whitehall and the new school year. On behalf of all the WES Staff, we cannot wait to meet you and your child. We look forward to a great 2021-2022 school year!

- Mrs. Rader -
Assistant Principal
